VMS Edge Sales - Cashier User Manual

(Payment Collections)

Purpose: This document explains how a Cashier collects customer payments against sales requests and how to directly collect payments without a sales request.

1. Payment Collections Dashboard

Navigate to Sales > Payments Collections. The screen contains Pending, Completed, Cancelled and New Payment tabs.

2. Pending Requests

Pending tab displays payment collection requests raised by Sales Executives. Review customer and booking details.

3. Open Payment Request

Click the request to open Vehicle Details and Payment Details.

The screenshot shows a web application interface with two main sections: "Vehicle Details" and "Payment Details".

Vehicle Details:

- Model: DZIRE
- Variant: VXI CNG
- Colour: PEARL ARCTIC WHITE
- Transmission: Manual

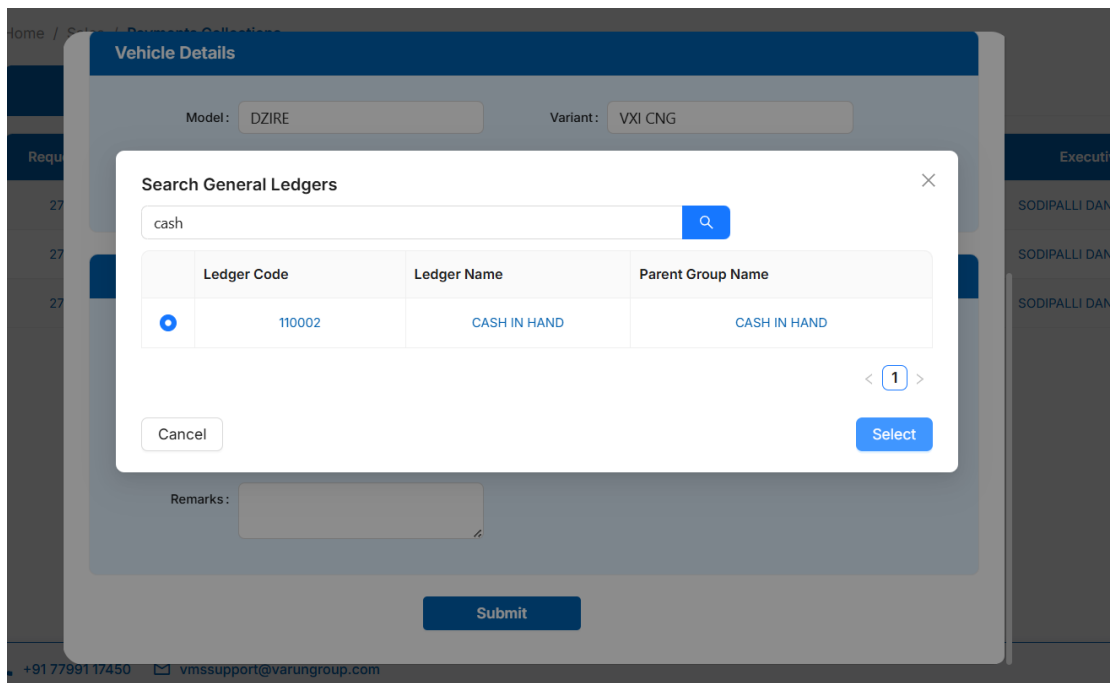

Payment Details:

- Payment mode: Cash
- Payment type: Booking amount
- Amount: 5000
- Payment status: (dropdown menu)
- * Journal: From (dropdown menu)
- * General Ledgers: (dropdown menu)
- Remarks: (text area)

A blue "Submit" button is located at the bottom right of the form.

4. Select Receipt Journal

Set Payment Status as Collected and select Journal as RECEIPTS.

The screenshot shows the same "Vehicle Details" and "Payment Details" form as in the previous image, but with a "Search General Ledgers" modal open over it.

Search General Ledgers Modal:

- Search input: cash
- Search button: (magnifying glass icon)
- Table with 3 columns: Ledger Code, Ledger Name, Parent Group Name
- Table content:

	Ledger Code	Ledger Name	Parent Group Name
1	110002	CASH IN HAND	CASH IN HAND
- Page indicator: < 1 >
- Buttons: Cancel, Select

The background form is dimmed, and the "Submit" button is visible at the bottom.

5. Select General Ledger

Search and select the appropriate ledger (e.g., CASH IN HAND) and click Select.
